

## Good Day, Fellow Patriot!

We are so happy to see your Canadian flag and your display of patriotic pride. Do you agree that our beautiful Canadian flag represents democracy, freedom, mutual respect, a healthy community, and honour of the rule of law?

We, too, are fiercely proud of Canada, but ***we are concerned by our government's actions***, specifically, their blatant disregard and breach of our *Canadian Bill of Rights* (see [www.TheyLied.ca/KnowYourLegalRights.shtml](http://www.TheyLied.ca/KnowYourLegalRights.shtml)).

With the invocation of the *Emergencies Act* in February 2022, the government's aim was to restrict our God given rights as written in the *Canadian Bill of Rights* - freedom of speech, freedom of mobility, freedom of assembly & association, equality before the law, and our right to informed consent. These restrictions seriously threaten our freedom.

Our Rights & Freedoms continue to be threatened as governments at all levels (federal, provincial, & municipal) continue implementing Agenda 2030 of the United Nations (UN) & World Economic Forum (WEF). The UN & WEF are unelected, unaccountable foreign entities with no authority over sovereign Canadians and time is running out for us to stop their agenda.

Step One is awareness of the truth. That's why [www.TheyLIED.ca](http://www.TheyLIED.ca) was created. **TheyLIED.ca** is a website that offers verified, accurate information on the many issues that currently affect us as Canadians, issues that all Canadians need to know about and issues that the mainstream media refuse to report.

We know that you're busy. We know that it's hard to keep up with, and evaluate, the information being thrown at us on a daily basis. Please go to [www.TheyLIED.ca](http://www.TheyLIED.ca) and peruse the menu tabs to see coverage of topics of national and personal concern. Browse the menu and choose the issues of priority for you - then dive in to learn more.

**The truth should be simple & easy to access,**  
that is the purpose of:  
**TheyLIED.ca**

**Please join us in our campaign to Raise Public Awareness and share the truth.**

We thank you again for proudly flying our glorious Canadian flag!
